Workshop 2	Thurs, 2 April 2020	10h00 - 12h00	Register
Workshop 3	Tues, 7 April 2020	13h00 - 15h00	Register

About the Presenter

Dr Upasana Singh is a senior lecturer in the Discipline of Information Systems and Technology. She has a keen interest in Digital Teaching, Assessment and Learning Practices. Over the past 2 years she has assisted over 182 academics at UKZN and Mauritius in the adoption of Digital Tools to support their teaching practices.

About the Seminar

UTLO, in conjunction with ICS, will be hosting series of virtual Technology Enhanced Learning sessions via ZOOM. First in the series will be 3 workshops. Workshops 1 and 2 will explore the Moodle Quiz, Assignment and Forum activities, which will specifically focus on how to encourage the adoption of e-assessment; and the use of Moodle tools to facilitate student engagement. Workshop 3 introduces Google Classroom as an alternative to Moodle, for student engagement and assessment.

Workshop 1

- ⇒ Setting up a Quiz in Moodle
- ⇒ Populating a Moodle Quiz – exploring Question Types
- ⇒ Working with the Gradebook in Moodle Assessments

Workshop 2

- ⇒ Setting up Discussion Forums in Moodle
- ⇒ Setting up Assignment Submissions in Moodle

Workshop 3

- ⇒ Google Classroom as an alternative to Moodle

Workshop Requirements

1. **Registration is compulsory:** Only **40 participants** can be accommodated in the Webinar. First come first served for each webinar.
2. **A Registration confirmation** email will be sent to registrants. This email will include the link to join the zoom meeting. Save this email and diarise the dates on your outlook electronic diary to activate your reminder.
