Independent Moderator's / External Examiner's Report on module examination
NOVEMBER 2012

The University of KwaZulu-Natal seeks to enhance the quality of learning, teaching and assessment practices and requests your assistance in reviewing the examination of this module. As an Independent Moderator or External Examiner, you are required to submit a report to the Academic Leader of the Discipline for consideration within the School and the College. Please refer to the material near each draft exam paper where relevant, can mark the table below, and add comments (overleaf) if necessary.

Report by Prof. Eunice Mphahlele-Banda
Module: Graph Theory Code: MATH707
Number of papers: 1 Total number of marks: 4

If you answer **Partly** or **No** to any of the questions, please expand on what is necessary.

	Possible responses		
	Yes	Partly	No
1. Based on student answers and overall examination results, do you feel that the aims/purpose of the module were achieved?	Yes	Partly	No
2. Did you find the examination and other assessment exercises in the module to be fair and accurate?	Yes	Partly	No
3. Were all minor or local changes in the examination paper(s) made? If not, please comment (overleaf) on the consequences.	Yes	Partly	No
4. Was the marking of student answers consistently fair and accurate?	Yes	Partly	No
5. Were proofs/short answers/ Free formulae etc. calculations clearly indicated?	Yes	Partly	No
6. In comparison with students at other universities (if possible with students from 4 or 5 years ago) how do you judge the performance of students taking this module and why?	Yes	Partly	No
7. Was your part of the examination procedure efficient, adequate? Did you receive the papers and scripts promptly? Were communications, practical arrangements, and course material all in order?	Yes	Partly	No
8. Do you have any additional comments or recommendations?	Yes (see overleaf)	No	

Should you have any other comments not covered by the foregoing questions, or recommendations for improvements to the module, please use the lines overleaf.

Independent Moderator's / External Examiner's Report on module examination
NOVEMBER 2012

Module: Graph Theory Code: MATH707

Additional comments and recommendations

The courier service was not efficient

There is one student with very low marks at honors level. It will be better to advise a student like this not to seat for the exam because this mess up the statistics of the offered course.
