

## 7.24 Annexure 5B: Training call for teachers in Ugu district

### TRAINING IN GEOMETRY FOR MATHEMATICS TEACHERS

The University of KwaZulu—Natal, in partnership with the Department of Education, is offering a course in High School Geometry to Mathematics teachers in the Ugu district.

#### What does the course cover?

The course covers all the topics in CAPS, namely, basic geometry of lines and angles, Theorems and problems on triangles and quadrilaterals (parallelograms), Circle geometry (Theorems and problems) and Similar Triangles (Theorems and problems). The course will be structured with lectures and tutorials to enable teachers to develop confidence in teaching Geometry as required in the CAPS.

#### Who should attend?

High School Mathematics teachers who wish to upgrade/improve/develop competence in the teaching of geometry in grades 10, 11 and 12.

#### Duration of the course:

This is a 12 hour course which will be conducted over 2 Saturdays.

Dates: 31 May and 7 June 2014  
Time: 08h30 to 16h00

Venue: Suid Natal Hoer Skool, Port Shepstone

#### What is provided, and what is the cost?

The course is free. You will receive a set of notes, complete with problems and solutions. Light refreshments will be provided during the breaks.

Kindly complete the reply slip below and fax this form to 0396826630 (TLS Office, attention: Mr C.S. Khanyile) before Friday 23 May, 2014.

-----reply slip-----

I hereby confirm that I will be attending the Geometry Workshops on 31 May and 7 June 2014.
